

Conference Programme

Tuesday 16/09/08 Chairman : Dr Gustavo Best, International Energy Consultant

Session 1 : Sustainability - defining the path !					
Time		Subject	Presenter	Organisation	Country
09:00	09:30	Introduction and Welcome, Jaques Wagner, Governor of Bahia			
09:30	10:00	Global Biofuels Market Outlook	Mr William Thurmond	Emerging Markets Online <i>President</i>	USA
10:00	10:30	Sustainability and Scale : first and 2 nd generation liquid biofuels	Mr Alan Kardec	<i>Petrobras Biocombustível S.A.</i> <i>President</i>	
10:30	11:00	Sustainability : An Opportunity for Comparative Advantage	Mr Jose Moreira	CENBIO <i>President</i>	Brazil
11:00	11:30	coffee break			
11:30	12:00	Liquid Biofuels - The Brazilian Perspective	Mr Ricardo Dornelles	Ministry of Energy and Mines <i>Director Renewable Fuels</i>	Brazil
12:00	12:30	International Sustainability Standards	Mr Jean-Philippe Denruyter	WWF <i>Global Bioenergy Coordinator</i>	Belgium
12:30	13:00	Panel Debate : Defining the Sustainable Path - the key priorities for industry			
13:00	14:30	lunch break			
Session 2 : Sustainability - Scenarios for International Trade					
14:30	15:00	Embracing Sustainability, Defining the Path	Mr Ralph Sims	IEA <i>Senior Analyst</i>	France
15:00	15:30	Flows of capital, historic and future trends in bioenergy	Ms Camila Ramos	New Energy Finance <i>Director</i>	Brazil
15:30	16:00	A practical view of an advisor to business on sustainability criteria in the EU	Mr Roland Stein	Freshfields <i>Lawyer</i>	Germany
16:00	16:30	Panel Debate : Sustainability - an Opportunity or Threat for international biofuels trade			
16:30	18:00	coffee break and Chance2Meet - Structured Network Business Meetings			

Wednesday 17th September 2008 - Chairman : Dr Osvaldo Soliano, Diretor - CBEM

Session 3 : Family Agriculture - Optimising the aggregated effect for liquid biofuel feedstocks					
Time		Subject	Presenter	Organisation	Country
09:00	09:30	Introduction and Welcome			
09:30	10:00	Food and Fuel - Gearing Up Family Agriculture	Mr Ailton Florêncio	SEAGRI <i>Superintendent Family Agriculture</i>	Brazil
10:00	10:30	Family Agriculture - structuring the supply chain	TBA	Petrobras	Brazil
10:30	11:00	Biodiesel - Environmental Impact and Risk Mitigation	Mr Juliano Matos	SEMA <i>Secretary</i>	Brazil
11:00	11:30	coffee break			
11:30	12:00	Biofuels and family agriculture - socio-environmental impacts	Mr Geraldo Stachetti Rodrigues	Embrapa Labex Europe <i>Senior Researcher</i>	France / Brazil
12:00	12:30	Assuring Feedstock Supply - family agriculture	Mr Hilton Barbosa	Comanche Clean Energy <i>Director</i>	Brazil
12:30	13:00	Panel Debate : Achieving the Aggregated Effect - overcoming the barriers			
13:00	14:30	lunch break			

Session 4 : Future Fuels : Biokeresene and Jatropha Oil					
14:30	15:00	Preparation and Organisation for Biokeresene: Opportunities and Challenges	Mr Expedito José de Sá Parente Júnior	Tecbio <i>President</i>	Brazil
15:00	15:30	Production of Bio Fuels using Non Edible Feed Stock - Jatropha and Algae	Dr. Ganapathy Arumugam	Enhanced Biofuels and Technologies India <i>Director</i>	India
15:30	16:00	Microalgae biomass as a sustainable alternative raw material for biodiesel production	Dr Cláudia Teixeira	Instituto Nacional de Tecnologia <i>Energy Division Researcher</i>	Brazil
16:00	16:30	coffee break			
16:30	17:00	Supply Chain Collaboration - Jatropha Grower	Mr Obeid Binzagr	Saudibras <i>President</i>	Brazil
17:00	17:30	Supply Chain Collaboration - Biodiesel Producer	Mr Eduardo Bundyra	Biotins <i>President</i>	Brazil
17:30	18:00	Panel Debate : Future Liquid Biofuels - horizons and scenarios
